

I've Got a Feeling!

When I'm full of mischief
And just want some fun,
I wear a silly hat
And poke out my tongue.

Chuckling, winking, joking!

How do I feel?

Cheeky!

Cheeky

What do you think these boys are going to do next?

Can you make a cheeky face too?

Stand in front of a mirror with a friend.

Cover your faces with your hands.

Make a funny face.

At the count of three, both take your hands away.

Who can make the silliest face?

Can
