

I've got a feeling!

Nasty things are happening
And I don't have any say,
So I'll just shut my eyes
And hope they go away!

Whimpering, quivering, shaking!

How do I feel?

Scared!

Who do you think made this boy's Superman top?

Do superheroes ever get scared?

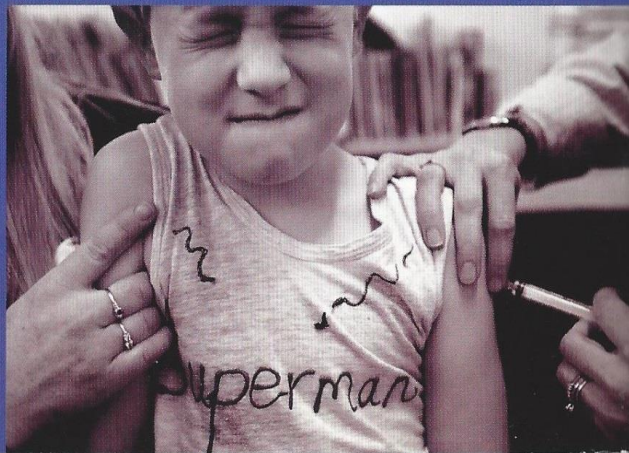

Do things like spiders, rides at the fair or being in the dark scare you?

If you were a superhero, what would your outfit look like?

What special powers would you have?

Draw or paint a picture of you as a superhero.
