

I've got a feeling!

Someone very special
Isn't here today,
So my mouth is drooping
And tears aren't far away.

Sniffing, sobbing, crying!

How do I feel?

Sad!

Why do you think these children are sad?

Are they lost?

Have you ever been lost?

How did it make you feel?

Make up a story about what happened to these children.

Does it have a happy ending?
